

FRIENDS OF NECEDAH NATIONAL WILDLIFE REFUGE

Dear Friends,

We miss all of you. With the closing of the Visitor Center in March due to covid-19, our plans for events and programs were all put on hold or cancelled until next year. One of the casualties of this mess was the Birds, Bees and Butterflies event planned for June. As part of the event, we developed a weather-proof pocket guide featuring the Karner Blue butterfly and the wild lupine here at the refuge. The pocket guide was produced by Waterford Press and is exclusive to the Necedah National Wildlife Refuge. Our plan was to have it available at the event and at the Karner Korner Nature Store for purchase. Well, after spending over \$2,000 on the guide and with \$0.00 sales from our nature store since March, we're appealing to our Friends family for help.

With each \$25.00 donation we receive, we will send you a first edition Karner Blue Butterfly Pocket Guide for your enjoyment. Due to the closure of the Visitor Center, we can't take credit cards there at this time but we do have *PayPal*, *Visa*, *MasterCard*, *Discover* and *American Express* available on our website: www.friendsofnwr.org.

Please make your check out to: Friends of NNWR and include Karner Blue in the memo line. Send to Friends of NNWR, % of D. Roellig, 901 McLean Ave, Apt 309, Tomah WI 54660. Thanks so much for your continued support.
